Daddy's Girl

hmm... what kind of birth control are you using? because you know nothing works! You were the rhythm method your brother was a condom and your other brother was the pill I want to see the dress so you need to be using something what are you using you're not going to marry him are you? really? I need to see the dress because the dress sets the tone and we need a good tone and the tone had better be a little less punk than you current lifestyle and for god's sake could you grow your hair out for wedding the because honey you hear this me someone who loves you you horrible look with short hair...
