

I can do that...I can draw...like... Sullivan's Travels to OZ and maybe it will bring some joy to someone

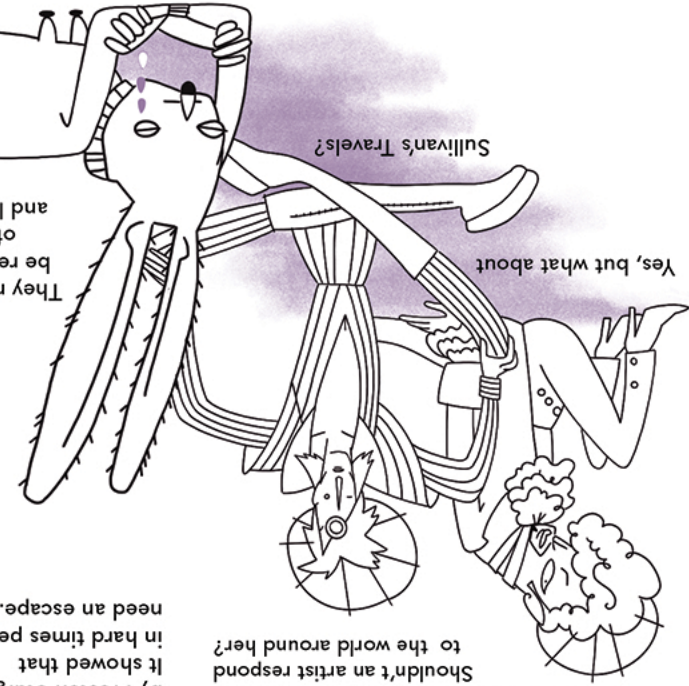

and to be entertained.

with Veronica Lake & Joel McCrea

They need to be reminded of beauty and laughter

The 1941 classic film by Preston Sturges. It showed that in hard times people need an escape.

Sullivan's Travels?

Yes, but what about

Gents, it's like this...it's such a crazy mixed-up world. I was asked to make this little book. Shouldn't an artist respond to the world around her?

no ideas

As soon as I agreed to do this, all my ideas ran away.

of course

we did.

HAIL ye angels with tall shoes. It's been hellish here since you decided to bail. It's like you knew what was coming.

for a moment.
